Toyota bets big on Yaris to drive sales

FE BUREAU New Delhi, May 18

TOYOTA KIRLOSKAR MOTOR is betting big on its newlylaunched sedan Yaris to bring sales back on track, a senior company official said on Friday.

The Japanese automaker's plans to grow at 7-8% in 2018-19 after sales in FY18 were down by almost 2%. The sales in the opening month of the new fiscal were also down 1.4% for Toyota, as per industry data, due to mass market cars such as the Etios sedan and Etios Liva hatchback failing to get momentum.

"We have a new product in the form of Yaris. It has been received with great interest. We are very confident that it will boost our volumes this fiscal.We hope to grow at 7-8% in FY19 which is the industry growth projection," N Raja, deputy MD, Toyota Kirloskar Motor, told reporters.

TKM, a joint venture between auto major Toyota and Kirloskar Group, on Friday began deliveries of its latest sedan Yaris which has been priced between ₹8.75 lakh and ₹12.85 lakh for manual variant, and for automatic it's priced between ₹9.95 lakh and ₹14.07 lakh. The car has only been launched in a petrol variant.

JSW Steel closes Aferpi acquisition

FE BUREAU Mumbai, May 18

JSW STEEL SUBSIDIARY JSW Steel Italy has entered into a sale and purchase agreement on Thursday with Cevitaly — a wholly-owned subsidiary of Algerian company Cevital — for acquisition of 100% shares of Aferpi and Piombino Logistics, and 69.27% of the share capital of GSI Lucchini for a cash consideration of 55 million euros on a cash-free, debt-free basis, the company said. *FE* had reported on March

1, 2018, that JSW Steel was in the final lap for acquiring Italian steelmaker Aferpi. JSW said the transaction

provides an oppotunity for the company to establish its presence in Italy with access to the European speciality steel long products market. The transaction is pro-

posed to be funded through a combination of internal accru-

als and debt at the targets. Consolidated net debt of ISW Steel stood at about ₹38,019 crore as on March 31, 2018, down from ₹41,500 crore sequentially. The weighted average interest cost decreased by 24 basis points in the year to 7.04%.

The possible acquisition of the Italian steelmaker comes at a time when JSW Steel is eyeing the purchase of few steel assets back home as well. While it lost Bhushan Steel and Bhushan Power and Steel to Tata Steel. It is awaiting a final NCLT nod for its proposed acquisition of Monnet Ispat.
